

SPIRIT OF YOUTH SCHOLARSHIP

Presented By:

F U N E R A L S E R V I C E

At Serenity, it is our belief that honesty, kindness, compassion and respect are vital traits to possess in order to care for the people of our communities during their most difficult moments.

It is our hope that The Spirit of Youth Scholarship will encourage, and perhaps create a movement throughout our schools of performing this very simple act – being kind. Always.

It is time to stop discriminating and casting judgement on those who don't fit into your circle, and understand that we are all unique in our very own ways.

We just don't know what a fellow student or teacher is going through – be there for them, be the person they can turn to for help without fear of being ridiculed or judged, be the person responsible for making their day better, or maybe even turning their life around – Just Be Kind!
