## Newsletter to the FMHS Community

June 1, 2017

---

Dear FMHS Parents,

Another school year is almost done. All the hard work and perseverance is finally beginning to show. Enjoy the summer with family and friends - but also not having to remind your teen to do homework, shake them out of bed and making lunches.

Thank you to all our staff and parent volunteers for making Graduation 2017 a huge success. Congratulations to the class of 2017; you are an incredible group of young people.

Our results show that Frank Maddock High School continues to improve. We boast a high school completion rate that exceeds both the Province and Wild Rose School Division rates. Our students perform above the Provincial average on Diploma exams and our students are demonstrating that they are good citizens at school and in our community. These formal results just reinforce what I see every day - young adults who do their best and a staff that cares about our students.

This will be my last newsletter for Frank Maddock as my family and I move to Kenya where I will be the Director of West Nairobi School. This community has been wonderful and the support for Frank Maddock High School from parents, businesses and the community has been outstanding. It is all of us working together that has made Frank Maddock High School such a great place for students. Thank you for all your support and I wish you every success in the coming year.

Sincerely

*Mr. Gregg McNeil*

*Principal, FMHS*

### Student Parking in 2017/2018

We have tried several strategies to help keep the student parking lot clean of garbage, as this has been an ongoing problem. Ongoing maintenance is costly and so a parking fee will be reintroduced in the 2017-18 school year of \$50. Parking passes will be distributed through a draw.

- Parking passes will be required for student parking next year
- Students who would like a parking spot in the student (south) parking lot for next school year will need to enter into a lottery draw starting on **JUNE 12**. **Students wanting to be entered into the parking lottery must come to the office to pick up a draw ticket.**
- The draw will be held on **JUNE 21/17**
- If a student is successful in having their ticket drawn, they will need to register and pay a parking fee of \$50 to receive a parking tag. This must be done by **JUNE 28** to secure a spot for next year
- Students must display their parking tag in their vehicle in order to be in the student parking lot; the tag is not for a designated spot but for any spot indicated by the painted lines. Vehicles not displaying a parking tag will be towed at the owner's expense.
- Student parking in the North Parking lot will continue to be assigned free of charge based on grades and for those students whose parents are on School Council. Yes, if you join School Council, your child can get a free parking spot in the North Parking lot. Council meets monthly in the Learning Commons. Next meeting is June 8 at 7pm.

### Textbooks and Resources

Any textbooks, novel studies or distance education modules that students are done with please return to Learning Commons- by **June 20** if you are not using them to study

### Fine Arts Night - June 7

The night will include performances from a grade one choir, FMHS choir and the FMHS drama 20/30. We will also have a gallery walk displaying art from K-12. We are looking forward to showcasing the amazing art, drama, and musical talents of our students!
