10 November 2020

Dear Parent/Guardian,

We are writing to inform you that an individual from Frank Maddock High School has tested positive for COVID-19. An investigation is being undertaken by Alberta Health Services to determine if the individual was infectious while at school. Parents/guardians of students and staff who have been in close contact with the individual who has COVID-19 have been alerted and will be isolating at home until the investigation concludes.

If you have NOT been contacted by phone from the school or Alberta Health Services, your child has not been identified as a close contact with this individual and therefore, is not at an increased risk from COVID-19 and is not required to isolate.

Please note that our division will follow the [Freedom of Information and Protection of Privacy](#) where information regarding specific individuals and their information will not be made public.

Our school remains open to in-person learning. We have and will continue to work with Alberta Health Services to ensure necessary measures are in place to protect all students and staff.

We remind parents/guardians to monitor their children for any signs or symptoms of COVID-19. The Alberta Health daily checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school and/or getting on the school bus. As a reminder, if you/your child has any of the symptoms of illness listed on the Alberta Health daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and stay home/keep your child at home.

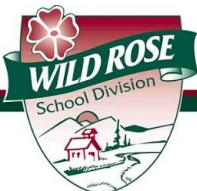

We will be sending updates to families as information becomes available.

Thank you for your continued support and understanding.

Sincere Regards,

Dr. Lara Jollymore  
Principal

Heather Bartling  
Vice Principal
