Meeting started: 6:10pm

1. Make additions & deletions to Agenda: None

2. Review previous Minutes and approve: Trisha Approves

School Council Positions-

Chair- Trisha Howes

Secretary- Mandy Anderson

VP- Annette Cartwright/Karen Durocher

Treasurer- Katrina Dawes (Money is ran with Blue and Gold Society)

3. Principles Report: -They are still looking for more teachers. Transition having Heather Bartling moving to Outreach. Mr. Highfield is acting VP. On September 15th there was a total of 462 students.

4. WRSD Report: -Mandy is going to invite Charlene Bearhead to our next meeting to get a WRSD update and get her input on the TRI School Greenspace initiative.

5. Blue & Gold Report: We will be having a meeting end of October. We do plan to go ahead with the Purdys Fundrsier and are looking at doing a VIP meat order to help with athletic costs.

-Staff Appreciation Lunch went amazing. Mandy received numerous messages of appreciation for it.

6. Grad Report:

It was noted that the parade was again a bit of a safety concern. The school has decided to take a step back from the grad celebration. They will do the commencement ceremony and then parents can take the lead in the celebration. It was noted that it would be nice to have an email that goes out to the parents concerning all grad information as not all students keep parents in the loop.

Grad 2024 will be on June 22, 2024

7. OLD Business: None

8. NEW Business:

-Halloween Dance- Booked for October 19th and planning is underway

-Shout out to Student Council. They have been visible around the school at events and sports games. Great to see them interacting.

-National Student Leadership Summit Trip- The kids had an amazing time. They have done a presentation to the WRSD and to Town of DV council. Huge thank you to the school especially Ben Southwick and Heather Bartling for all of their time and effort making this a possibility to our students.

-Link Facebook & Instagram Accounts so they have same information- Example- School picture information is on FB not Instagram. Lara will see what she can find out regarding this.

-A parent concern was brought up about the sensitive subject in the movie titled "Bones of Crows". Permission slips were sent home to parents for their consent. The WRSD did send out additional information. Letter attached.

9. TRI SCHOOL Green Space Update:

-Mandy has been in contact with DCS School Council. They are onboard to working together. Looking at picking a date once we have more guidance from WRSD. WRSD has not officially come to a final result/solution with the Town of DV that we are aware of.

Next Meeting: Tuesday October 24th 6PM

Meeting Adjourned at: 7pm
